Changes to class structures on Scandinavian Airlines

Scandinavian Airlines have made the following changes to their class structures following extensive research with their clients.

Improvements to Business Class, added extras to enhance your journey.

A New Class – Economy Flexible giving extra services in the economy cabin.

Streamlined Economy Class – low cost travel with flexibility to buy refreshments on board.

Manchester to Las Vegas with bmi

This new route has been in operation since 31st October 2004, using Airbus A330

Aircraft. This gives passengers a choice of 3 cabins, Economy, New Economy &

Business. All passengers have their own in-flight entertainment screens and a wide choice of cuisine.

bmi have also announced that they have wireless access available in their bmi lounges at Dublin, Aberdeen, Glasgow & Manchester airports.
